

Chem-Match: Corporates meet Startups 2021 "Green & Digital"

Online Matchmaking Event to initiate collaboration
between the chemical industry and international startups

Registration & Infos: <https://chem-match2021.b2match.io>

7 Oct 2021	Matchmaking Event @ CIEX Europe Conference 2021
8 Oct 2021	Matchmaking Event + Networking Day
8 Oct 2021	Webinar for startups "IP & Software"

The chemical industry faces diverse challenges these days. Issues like digitisation, process improvements, ecological and social responsibility shape a new operation setting for companies. The pressure to innovate is high, while the time needed remains an obstacle.

Chem-Match: Corporates meet Startups 2021 "Green & Digital" brings impetus to the chemical open innovation. We match corporates with startups from the fields of chemistry, biotechnology, bioelectronics, environment, sustainability, digital process management and digital innovation.

Hessen Trade & Invest with the Enterprise Europe Network and the project partners CIEX Europe Conference, 5-HT Digital Hub Chemistry & Health, Infraserv at Industry Park Höchst, and the European IP Helpdesk offer this **special event format for meeting and discussing about corporate – startup collaboration.**

Chemical corporates use this format to

- [meet innovative startups](#) during the matchmaking event on 7 and 8 October
- join the [top-class conference programme](#) at CIEX Europe 2021 conference in Frankfurt/Main and online
- [source new ideas](#) and [innovative approaches](#)

Startups and Scaleups get the opportunity to

- [meet international corporates](#) from the chemical industry for individual B2B-meetings during the matchmaking event on 7 and 8 October
- join the [top-class conference programme](#) at CIEX Europe 2021 conference in Frankfurt/Main and online
